## General Meeting October 18, 2010

### Basic Peyote Stitch with Eleanor Cutts

At our October meeting, the ever elegant Eleanor will guide us through the ins and outs and back throughs of basic peyote stitch.

For the uninitiated, peyote stitch is a single needle bead weaving technique that uses beads and thread to create flat panels or hollow tubes of beads woven together. The possibilities of this beautiful stitch are endless. This class is for beginners or anyone who needs a refresher course.

For basic peyote you will need to bring scissors, work surface, task light and a magnifier if you need one.

**Eleanor will have kits containing beads, thread and needles available for \$3 each. You may contact her at 438-9781 for more information.**

## Show Reminder

Contracts for our December show are due by November 15. Now is your chance to show your work and shine! Have lots of fun too. We always need volunteers as well, so mark Dec.4 on your calendar.

## An Inspiring Retreat...

.. is in the planning stages! Mary Jordan is looking for teachers for our 2011 bead retreat in Destin on Feb.4-6. We will need completed samples of the project you plan to teach to display at our Nov. and Dec. meetings, and a materials list for the Dec. meeting. We already have some teachers, so don't delay. Come and share your talents with fellow beadrs in beautiful Destin, Florida.
