Steam Punk Pendant

It's chilly in February, a great time to heat up your month with
a funky, chunky, steamy project. Our daring Darlene Samuel
will show you how!

Make a steam punk pendant- learn to use polymer clay to
create the newest rage. The pendant kit will cost \$10.00 and
includes clay, steam punk parts, liquid polymer, an eye pin and
a note card for working and baking on.

Darlene will also bake your piece if you don't have access to a
clay dedicated oven. Contact her to reserve a kit- **850-994-4070**
or beadee9@yahoo.com

Coming in March...

Eleanor Cutts will be teaching square stitch in seed beads at
the March meeting. More info will follow.

Bravo for the Bead Retreat!

Some things just get better and better...

What a wonderful weekend we had in Destin. Great teachers,
great students, lots and lots of beads- who could ask for more?
We would like to thank all of our dedicated teachers for sharing
their time and expertise: Becky Adkins, Sandy Berquist, Debbie
Bryan, Eleanor Cutts, Barbara De Nunzio, Steve Robinson,
Darlene Samuel and Diana Yum-Bucher. In a busy world where
we all have many demands for our time and energy, you good
folks really gave us your all. Thank you.

Thanks go as well to all the students, who devoted their
weekend and dollars (and appeared to be having a great time!).

For everyone who helped others, brought munchies and
prizes, picked up after, put up with schmoozers(like me) and
anyone else we missed- thanks.

Especially too we must thank tireless Mary Jordan for all of
her efforts. Without Mary ECBS just wouldn't be as much fun!
