March showers bring April flowers?... or maybe we got that wrong, but the April meeting will bring flowers for spring. Our talented Barbara DeNunzio will teach seed bead daisy chain stitch and variations. To learn you will need to bring:

Seed beads in your favorite practice size, could be 8's, 11's or whatever you prefer in at least two colors.

Beading needles in a size that will easily pass through your beads, and thread that will fit the eye of your needles.

You will also want to bring:

Scissors, work surface, task lamp and magnifiers if you need them.

Be sure to check out our "seed bead primer" on page 2 of the newsletter. It gives basic info on materials. Many thanks to Barbara D. for this helpful information. You may also contact Barbara for more information:

Contracts are Out...

...for our Spring Show on May 21st. If you did not receive one, call Mary, or pick one up at the general meeting. The more happy beaders in our show, the better!

If you produce only a little work to sell, find a buddy in ECBS and share a table. If you want to be a part of the show but not a vendor- we can ALWAYS use volunteers.
