containing all the materials needed will be available at a cost of
\$40. **Please note the change in price: if you have any
questions, contact Nettie Varnell at 291-0113.** This is still a
reasonable price for the unique beaded piece you will create.

Kathy has provided a list if you wish to assemble a kit:

Bicone crystal beads:

4mm red-(150)for the flower

4mm emerald green-(100), 3mm fern green-(35)for the leaf

4mm white opal-(70), 6mm white opal-(30) for the branch

Copper wire- dead soft 28 or 30 gauge

Small pot, glass votive holder or other container

You will need wire cutters, work surface, task light. Of course
bring a magnifier if you need it.
