General Meeting February 20, 2012

Our February meeting project will be an intriguing wrap
bracelet, taught by the equally intriguing Tahnja Pyle.

To make this project you will need:

1 Yard leather or waxed cotton cord (1yd. For every 2 wraps
around your wrist)

2 yards Fireline- 12 lb works best but it can be thinner

Any beads you like- measure your wrist and double the
number of inches, lay out that many inches of beads (ex. 7 inch
wrist- 14 inches of beads)

1 2-hole button bigger than your beads- make sure your cord
will pass through it

Glue- Hypo cement is best but any will work

**Sturdy sewing needle with a sharp point, clipboard,
wire cutters, flat nose pliers, a work surface, task light and
magnifier if you need it.** Tahnja will have cord for sale at the
class, and Patty Briggs will have Fireline and beads available as
well. Contact Tahnja@gmail.com if you have a question.

Bead Retreat News

What fun we had in Destin! There's nothing like laughing and
learning with all of our bead buddies. We owe a huge thank you
to Nettie Varnell and Joan Disney for their efforts. Nettie would
like to especially thank all of the wonderful teachers who gave
their time and talent: Allida Webb, Darlene Samuel, Becky
Adkins, Debbie Bryan, Delia Stone, Sandy Bergquist, Bronwyn
Nickles, Clare McCuisition, Eleanor Cutts, and Patty Briggs.

Thanks also go to our members for bringing snacks and
helping with cleanup.

For everyone who participated: please fill out an evaluation if
you haven't already- we need to know what you think in order
to make the next one even better!
