General Meeting October 21, 2013

Happy Tracks bracelet with Diane Ostrander

See page two for our October meeting project- sure looks pretty! Also at the meeting our favorite African trader will be bringing beads of metal, wood, glass, shell etc.. old and new, wonderful treasures for us to explore. Don't miss it.

On the Show...

Contracts will be out this month for our holiday show December 7. Besides being a great venue for our members alone, show proceeds fund ECBS activities including our beloved bead retreat. It also helps pay our teachers each month and allows us to be effective and progressive as a society. We need member/vendor participation to succeed every year. So...whip up some original work and come join the fun!

It is also permissible to offer merchandise for resale- **beads and beadwork supplies only please.** Our customers have mentioned that they'd like to see more loose beads and supplies.

About the Retreat...

The deadline for teaching apps for the bead retreat is coming up soon. We still need wire wrapping and metalsmithing teachers. We even have a special room for pounding metals and making noise in! Contact Allida at 251-533-5108 or tewerman@gulftel.com P.S. Allida would be thrilled to see a few more responses to the survey she recently sent!
