March 2013

TidBits:

Lists are done...

2013 Membership lists are available in print at the general meeting. The list is to help members keep in touch with each other- please don't share the list with any entity outside of ECBS.

A Related Issue...

Please provide us with any information changes that may occur through the year. We can't keep track of you unless you inform us of a change of email, phone etc. We don't want to lose you!

On Food and Feeding...

Please remember to sign up to bring refreshments to any meeting of your choice. A 6pm meeting leaves most of us feeling a bit peckish- it's really nice to have something to munch on!
Contact Najta Peschel at 850-994-7465 if you have any questions.
The other hungry one at meetings is our **bead jar**. Recently raffled and feeling empty, it craves fun beads to fatten it up for the next time!

General Meeting March 18, 2013

OK bracerophiles(is that really a word...??), here's your chance. Eleanor Cutts will be working out the beautiful but torturous Marcia Balonis Double Decker bracelet. If you have a kit but not a clue what to do with it, she will be on hand to try to help: she's really good at this kind of thing!

Also handy and on hand Monday night will be Allida Webb with her trusty refractometer, a gadget that is used to identify gemstones. If you have a mysterious stone, she may be able to identify it for you.

As you may have noticed, we need teaching volunteers. If everyone in ECBS who has a skill would teach it occasionally we would have plenty of classes, so please pick a month and contact Allida Webb. We need you!

Showtime is Coming Soon

Watch your email for the spring show contract coming out on or about March 23. Our show is a great venue for you to try out your new creative work on the general public. We offer very reasonable fees for an indoor show, allow members to share tables to minimise expense, and we do TONS of advertising. Our shows have an excellent local reputation thanks to all of you, our talented members.

So if you are a veteran of shows looking to connect with a favored customer base, or a newbie looking to wet your feet, our show is for you!
