General Meeting June 17, 2013

Our June general meeting will be a social evening. Following the business meeting we will have show-and-tell. Anything (bead or jewelry related) is OK. Bring a project you are proud of, an exotic stone or bead, an interesting tutorial or publication... whatever you wish to share with the group. After that it's up to you. It'll be a great time to work on a project, ask your bead buddies to help with any bead dilemma, snack and talk. Come to have a relaxing good time.

Be sure to bring a little cash for our Quarter Raffle. We will have several donated items up for raffling, and tickets will cost only 25 cents each. You may purchase your tickets before and after the business meeting. You must be present to win. Please bring change or dollar bills for your tickets.

Because You're Worth It...

Your ECBS board has decided to begin paying our teacher volunteers every month. We understand that planning and teaching a class is a big job, so will pay an honorarium of \$45 for a class. Our monthly instructors may sell kits and materials. They may charge a fee per student if they wish, and also limit class size as necessary. These decisions are up to each teacher.

Please contact **Allida Webb** to discuss projects and sign up for the month of your choice.
