### Looking Forward to Retreat

Our 2014 bead retreat is in the planning stage. Now is the time to decide what you want to teach. Allida Webb will be looking for teachers soon, watch your email for more info...

We also need inspired projects and instructors for our monthly meetings. Teachers receive a \$45 honorarium for their efforts. Please contact Allida to discuss projects and sign up for the month of your choice.

## General Meeting July 15, 2013

### Gemstone Doughnut Pendant

In July we will create a charming pendant with vivacious Nettie Varnell, using simple wire wrapping technique. To try this project you will need:

**1- gemstone doughnut (any size)**

**24g wire**

**3 or 4mm beads** (small doughnut used 20 4mm beads, larger doughnut will take more)

**Pliers, wire cutters, work surface, task light and magnifiers if you need them.**

**Also at the meeting:** since Show and Tell went so well in June, we want to do it again. It really is a good learning opportunity and fun too, so bring in any bead related object or project you wish to share and plan to expound!

**Be sure to check out our Quarter Raffle.** We will have donated items up for raffling, everything from beads to books to storage items- you never know what'll be out there! Tickets cost only 25 cents each. You may purchase your tickets before and after the business meeting. We will draw the winners at 8:30pm or when our class ends- whichever comes first. You must be present to win. Please bring change or dollar bills for your tickets. **Please remember to thank Diane Ostrander for her time and effort on the raffle each month!**
