## Show Notes:

Our spring show will be  
on Saturday, May 2.

Promotional postcards  
will be available to  
members at the meeting  
so pick some up and give  
them out this spring!

## Still Need Donations...

We have been having lots of  
fun with our raffles, so will  
always need quality stuff to  
tempt ticket sales. Next time  
you straighten up the bead  
room throw a few goodies  
in a bag and bring them to  
the meeting. Give to Diane  
Ostrander or Meredith.

## General Meeting February 16, 2015

### UFO Night...

...as in un-finished objects! For everyone that started something at the bead retreat and needs a little time (and maybe moral support) to finish it. Bring any unfinished bead project and bask in the companionship of fellow beaders. Some of our teachers and other assorted members will be around to help you. We will also have a retreat show-and-tell so bring your projects and share them with the group. It's fun to see the different versions of the class projects. As always there'll be good eats and good buddies to socialize with.

## Thank You One and All

Everyone helped make the retreat a success! A huge thank you goes to our wonderful teachers for sharing their skills with us. We are richly blessed with local talent, as well as the special folks who journey from afar to educate us.

Thank you students, without your enthusiasm there would be no retreat. Thank you members for your donations and ticket purchases that made for two nights of raffles.

Thank you Diane and Tahnja for organizing the raffles, Carolyn for dealing with the hotel and all the numbers afterwards and Mary Jordan- thank you most of all for working so hard to put it all together!

Hopefully I've remembered everyone- if not, you may slap my head at the meeting.

One more thing: if you have not filled out a survey, please do. We can make it better if we have your input.
