2016 BEAD RETREAT

Our retreat was a success and we're already planning next year's!

Teachers: Thank you and kudos for sharing your talents and knowledge at the retreat. The projects were remarkable and we couldn't have had the success we had without you. The students were proud of their accomplishments, thanks to you.

Students: Thank you for signing up and taking the classes you did. We hope you not only benefitted from your new skills and techniques, but also that you had fun.

Volunteers: We are thankful for the volunteers who helped at the retreat: **Kathi and Mark Gordon** for running the raffles and **Tahnja Pyle** for her all-around help where we needed it. Thank you again!

We are preparing a questionnaire about the retreat for teachers and students alike. You'll receive one as soon as we finish preparing it.

SHOW IT OFF; ASK FOR HELP

We want to see what you made at the retreat, so please bring your finished projects from the retreat to show off and inspire! If you need help with your project, bring it and we'll help.

BEAD JAR RAFFLE!

It's famous! It's infamous! It's bursting at the seams! The Bead Jar will be raffled off at our next meeting. Will *you* be the lucky winner?

Plus -- remember to keep bringing a nice bead or two to feed this year's new Bead Jar.

FEBRUARY RAFFLE!

We'll also have a raffle at the next meeting. We have some beautiful and useful items you can try for. Please donate something nice for future raffles; we all like to win nice things.
